The Big Week Is Almost Here!

It's hard to believe, but it's true! WALH Summer Camp 2013 is fast approaching. The dates for the best week of the summer are Saturday, July 27th through Friday, August 2nd. Erica and Samantha and the rest of the board have been hard at work putting together what they hope will be a week to remember.

As always, we are looking for volunteers, so if you know of anyone interested in helping out at camp, please contact Erica at ericky1834@yahoo.com

Also, don't forget that the WALH Board of Directors elections will take place at camp. If you would like to take part in the future of a special organization or nominate someone who you think could make a real contribution, please contact Samantha Donoghue at samkostowicz@hotmail.com

Sponsorship Giving Program

Whether it be selling raffle tickets, buying a kringle or perhaps attending our Wine & Beer Tasting each year we try to have a variety of fundraising opportunities available for our members. We know it's hard to always ask the same friends and family to purchase, but the end result helps support our week of summer camp. Here is an opportunity that might be better suited for someone that may have business contacts within the community or even a friend or family member that is in the position of donating to "With A Little Help...", Inc. on a grander scale. Again this year we are reaching out to you with our Sponsorship Form. The Sponsorship Form includes information on a tiered giving program. Each tier offers incentives from newsletter recognition to having their logo/name included on our camp t-shirt. Please take a moment and look at the enclosed form – feel free to make copies and pass along to others you may know. If you would like to have a letter and sponsorship form sent to an individual or business on your behalf I would be happy to do so. Please feel free to contact Linda at 414-571-0234.

Car-A-Funda Is Coming

That fantastic group of people in the Fondy Vintage Auto Club is at it again. Their annual Car-A-Funda car show to benefit WALH is set for Sunday, July 28, 2013. It will take place on Oven Island, which is part of the beautiful Lakeside Park in Fond Du Lac. There will be cars, food, trucks, music...and more cars! So don't forget to save the date and put in your order for great weather! For more information about the show, including directions, go to www.fondyvintageautoclubinc.com

2013 Fall Weekend Camp Dates

I know it seems like a long way off, and there is plenty of warm sunny weather in store before we get there, but the dates for our fall weekend getaway have been set. Mark your calendars for Friday, November 8 through Sunday, November 10, 2013. More information will be forthcoming in future issues of WALH News and Notes.
